California Wing Policy Letter 09

Subject: Delegation of Authority - Emergency Services

Various regulations describe the responsibilities for authorizing or approving certain Emergency Services qualifications and operations. It is the policy of California Wing that this authority be delegated as follows:

- a. The authority to issue and renew the Emergency Services specialties of Incident Commander, Agency Liaison and Ground Team Leader at both Trainee and Standard levels is delegated to the California Wing Director of Emergency Services (DOS).
- b. The authority to approve and coordinate any request for mission assistance from adjoining wings is delegated through the California Wing Director of Operations (DO) to the California Wing Director of Emergency Services (DOS).
